

This is to certify that
The Lingfield Education Trust

Lingfield Point, Darlington, DL1 1RW, Co. Durham

Has been assessed
by Warren Butterworth for IT Governance Ltd
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: The internet facing infrastructure for The Lingfield Education Trust. Including firewalls, routers and hosted systems located in the United Kingdom.

Certification date: July 11th, 2018

Recommended re-assessment date: **July 10th, 2019**

Certificate no.: 5306243290992212

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
