

Maths

Children begin to represent numbers using fingers, marks on paper or pictures. They realise that not only objects, but anything can be counted, including steps, claps, and jumps.

Children show interest in shape and space in the environment. Shows interest in shape by sustained construction activity or by talking about shapes or arrangements.

- Count every day objects.
- Begin to match amounts to numerals.
- Start to name and describe 2D shapes.
- To notice simple shapes in patterns and pictures.

Communication and Language

Writing.

Children give meaning to marks they make as they draw, write and paint. Children hear and say the initial sound in words. They ascribe meanings to marks that they see in different places.

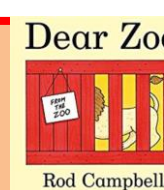

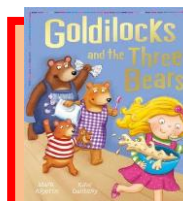

Children listen to and join in with stories and poems, one-to-one and also in small groups. They have some favourite stories, rhymes, songs and poems.
