PE and Sport Premium 2022-23

Mount Pleasant Primary School

In 2022-23, our school has been allocated **£17,850** for the development of PE and Sport for our children.

We have considered the following guiding principles when putting this plan together and deciding how to allocate the primary school funding:

- Ensure PE, school sport and physical activity is inclusive and engages all children.
- Ensure high quality PE lessons are delivered by upskilling teachers to deliver a wide range of sports.
- Identify wider curriculum opportunities for physical activity and PE.
- Promote the personal development of children and the importance of health and wellbeing, including social, emotional and mental health within PE, school sport and physical activity.
- Use qualified and suitably trained coaches to improve the quality and range of school sport offered to enrich the curriculum.

Key achievements to date until July 2022:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none">• School Games Bronze Award achieved.• Active 30 continues to be embedded in school.• More School Sports competitions were attended.• Children were given more opportunities to access a range of different sports including yoga, archery.	<ul style="list-style-type: none">• Progression and consistency in PE teaching to continue to be developed across the school.• Active 30 initiatives to continue to be developed across the school.• Continue to develop and attend more inter school competitions.• More children to be able to swim 25 metres at the end of year 6• Increase attendance and range of after school clubs
Swimming Reporting: We are using sports premium funding for top – up swimming lessons.	

Our planned spend is based on the '5 Key Indicators' and '2 Key Uses' for improvement as detailed by the DFE in its PE and Sport Premium documentation.

Key Indicators		
Indicator 1: the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school	Indicator 2: the profile of PE and sport is raised across the school as a tool for whole-school improvement	Indicator 3: increased confidence, knowledge and skills of all staff in teaching PE and sport
Indicator 4: broader experience of a range of sports and activities offered to all pupils	Indicator 5: increased participation in competitive sport	

Key Uses	
Key Use 1: develop or add to the PE and sport activities that your school provides	Key Use 2: build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Our planned spend for 2022-23

Planned Use		Key Indicators					Key Uses		Costing	Planned Sustainability Consideration
		Indicator 1	Indicator 2	Indicator 3	Indicator 4	Indicator 5	Key Use 1	Key Use 2		
School Intent	Implementation
